Size Specifications

Many species are grouped into sizes, so that we are better able to collect specifically what you need. Although there are a few exceptions, typical sizes are as follows: SM/MD- approx. 1.5"-5" MD/LG - approx 5-8" XL - approx. 8-10" XXL - approx. 10"+. These size ranges reflect, approximately, juvenile (SM/MD) through sub-adult and adult (MD/LG) maturation phases.

Guarantee of Live Arrival

DMA does guarantee live arrival on all species except for : Bonnethead Shark pups, Yellow Rays & Octopus. The wave of guarantee on the above species reflects consistent sensitivities in shipping. All claims must be made within 24 hours of receipt of shipment.
